Kimberly Estrada, an actress portraying a woman who turned to evangelism after surviving the attack, described the experience of making the film as down and dirty.

"I did a lot of climbing around in rubble and wire and used my experience as a stunt person," said Estrada, who played a boxer in the Academy Award-winning *Million Dollar Baby*. "We shot the ground zero stuff at a concrete factory with a lot of dust and concrete residue. You get a feeling of what it was like to be there."
