An Award winning documentary, *Day of Miracles* will be airing to billions on the anniversary of 9/11. It is about the miracle survivors of 9/11. It will air through over 17 satellite feeds via: TBN, Daystar, i-Life, Sky Angel and Cornerstone TV ... being translated into numerous languages in most countries of the World!

(PRWEB) June 27, 2005 -- From the Producers of *Hometown Legend* a Warner Brothers release, (co-produced with the best selling author Jerry Jenkins and his son Dallas, *Left Behind* fame) comes the most important award winning documentary of 2005. *Day of Miracles* won "Best Inspirational" and "Special Recognition" at VIFFI and The West Valley INDIEFEST as well as the DOVE SEAL and the Movieguide approval. *DAY OF MIRACLES* will be telecast to billions on 9/11/05 through over 17 satellite feeds, in most countries in the World, and being translated into numerous languages via: TBN, SKY ANGEL, DAYSTAR, I-LIFE and CORNERSTONE television networks. Sujo Jon was just underneath the airplane crash in Tower One and was able to lead many people down the staircase while the building peeled like a banana and fell to the ground. He skied to safety only realizing that his pregnant wife was in Tower Two. Janelle prayed for God to save her. The next day she was the only one found alive. She was found standing up asleep amidst the rubble. The stars are: TJ Myers, *Impossible Heist*, *Who's Your Daddy* and **Kimberly Estrada of Academy Award® winning, *Million Dollar Baby*!** This film was shot on the new HD24P camera in order to be able to release for the first time into digital theatre.
